"Just wanted to thank you for finding David in the first place, and then Ryan, Danielle and Fitz. They were all absolutely wonderful, and I don't think we would have made it this far without their care, concern and positive interactions." - **Barbara F.**

Reporting elder abuse

We are mandated reporters of suspected elder abuse. If we have observed or knowledge of an incident that reasonably appears to be physical abuse, abandonment, abduction, isolation, financial abuse, or neglect, or is told by an elder or dependent adult that he or she has experienced behavior, including an act or omission, constituting physical abuse, abandonment, abduction, isolation, financial abuse, or neglect, or reasonably suspects that abuse shall report the known or suspected instance of abuse by telephone immediately or as soon as practically possible, and by written report sent with two working days." (Welfare and Institutions Code Section 15630)

"We are committed to providing compassionate care by helping you maintain your independence."
I became a caregiver at 13 after my dad's stroke. It was tough for him to rely on his wife and children to be his care providers, but helping him maintain his independence and dignity gave him the courage to continue living. That's what motivates me today; having the right caregiver can make a huge difference in someone's life.
